Press Release

Synthon Announces Investment from Goldman Sachs Alternatives

Nijmegen, 16th June 2025 – Today, Synthon (the "Company") a leading platform specialized in developing, manufacturing, and out-licensing complex generic medicines, announced an investment from Private Equity at Goldman Sachs Alternatives. This represents the acquisition of a majority stake in the Company from funds advised by BC Partners, who will continue to own a significant stake in the Company.

With Goldman Sachs Alternatives as its key partner, Synthon will focus on accelerating its next stage of growth, including both advancing the success of its existing product portfolio as well as developing and launching new, complex medicines. Leveraging its differentiated, science-backed, intellectual property-driven development platform, the Company is well-positioned to continue delivering on its mission of enabling affordable medicines for patients globally.

Anish Mehta, Synthon CEO, said: "The closing of this transaction marks an exciting new chapter for Synthon. We are proud of the momentum that we have built and are delighted to have Goldman Sachs Alternatives as our new partner. Working together, along with our more than 1,600 dedicated and talented colleagues around the world, I am excited about the next phase of our growth journey and look forward to maximizing patient impact by accelerating our growth, improving our operational network, and advancing our R&D platforms and capabilities for increasingly complex generics."
